Independents Auditors' Report

The Board of Directors of the
National Center for Healthy Housing, Inc.
and Subsidiary

We have audited the accompanying consolidated statements of financial position of National Center for Healthy Housing, Inc. (a non-profit organization) and Subsidiary as of September 30, 2011 and 2010, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended. These consolidated financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall consolidated financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of National Center For Healthy Housing, Inc. and Subsidiary, as of September 30, 2011 and 2010, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 14, 2012 on our consideration of National Center for Healthy Housing, Inc. and Subsidiary's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audits.

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated basic financial statements as a whole.

The accompanying supplemental statements of financial position by entity, supplemental statements of activities by entity, and supplemental schedules of grant and contract revenue - National Center For Healthy Housing, Inc., for the years ended September 30, 2011 and 2010 are presented for purposes of additional analysis and are not a required part of the basic consolidated financial statements. The consolidated supplemental information and schedules for the years ended September 30, 2011 and 2010 has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the consolidated basic financial statements taken as a whole.

NATIONAL CENTER FOR HEALTHY HOUSING, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2011 AND 2010

Note 1 – Description of the Organization

The accompanying consolidated financial statements include the following entities hereinafter referred to as “the Organization”:

National Center for Healthy Housing, Inc.

The National Center for Healthy Housing, Inc. (the Center), formerly known as the National Center for Lead-Safe Housing, Inc., was founded in 1992 to bring the housing, environmental, and public health communities together to combat childhood lead poisoning. The Center is a nonprofit organization committed to developing and promoting practical methods to protect children from environmental health hazards in their homes while preserving affordable housing.

Until April 2007, the Center was a supporting organization of the Alliance for Healthy Homes, a nonprofit organization with similar activities and programs. The relationship was legally terminated.

Healthy Housing Solutions, Inc.

The Center’s wholly-owned Subsidiary, Healthy Housing Solutions, Inc. (Solutions), was incorporated as a Maryland for-profit stock corporation on November 10, 2003. Solutions is engaged in activities similar to that of the Center and was organized to support the Center’s mission through fee-for-service work.

Note 2 – Summary of Significant Accounting Policies

- (a) Basis of Accounting – The financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Accordingly, revenues are recognized when earned and expenses are recognized when incurred.
- (b) Principles of Consolidation – The consolidated financial statements have been prepared for the Organization as described previously. All significant intercompany transactions have been eliminated.
- (c) Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NATIONAL CENTER FOR HEALTHY HOUSING, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2011 AND 2010

Note 2 – Summary of Significant Accounting Policies (Continued)

- (d) Cash and Equivalents – The Organization considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents.
- (e) Grants and Other Receivables – Grants and other receivables are recorded net of an allowance for uncollectible receivables, based on management's evaluation of outstanding accounts receivable at year end. Grants and other receivables beyond one year are discounted to reflect the present value of the grant or other receivable. The Center has grants and cooperative agreements with U.S. Government agencies, various state agencies, and other private sources. Management anticipates that all grant and other receivables will be collected in full, and therefore, has not established an allowance for doubtful accounts.
- (f) Gifts and Bequests of Property – Gifts and bequests of property are recorded at the earlier of the date received or when the bequest is no longer subject to probate and its value can be reasonably estimated. Gifts and bequests are valued at their estimated fair market value on the date they are recorded.
- (g) Fixed Assets – Furniture and equipment are reported at cost if purchased and, if donated, at the approximate fair market value at the date of donation. Assets are depreciated over the estimated life using the straight line method. It is the policy of the Organization to capitalize equipment costing over \$1,000 and having a useful life of over one year. Depreciation expense for the years ended September 30, 2011 and 2010 amounted to \$4,532 and \$4,365, respectively.
- (h) Functional Allocation of Expenses – The costs of providing the various programs and other activities have been summarized on a functional basis in the Consolidated Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.
- (i) Donated Services and Materials – Contributions of services are recognized if the services received create or enhance nonfinancial assets or require specialized skills, and are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributed services and promises to give services that do not meet the above criteria are not recognized. During the years ended September 30, 2011 and 2010, the Center did not receive any donated materials or services subject to the recognition criteria.

NATIONAL CENTER FOR HEALTHY HOUSING, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2011 AND 2010

Note 2 – Summary of Significant Accounting Policies (Continued)

- (j) Net Assets – the Center reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

Unrestricted

Unrestricted net assets represent resources over which the Board of Directors has discretionary control and are used to carry out operations of the Center in accordance with the bylaws.

Temporarily Restricted

Temporarily restricted net assets represent grants and contributions, which have been restricted by donors for specific programs or activities. Restrictions, which have been met by the passage of time or expenditure of net assets, are reported as revenues released from restrictions on the statement of activities. Restricted grants and contributions that are received and released in the same reporting period are recognized as unrestricted grants and contributions. For the years ended September 30, 2011 and 2010 the Center received \$500,000 and \$160,000, respectively, in restricted grants and contributions.

Temporarily restricted net assets as of September 30, 2011 and 2010 consisted of the following:

	<u>2011</u>	<u>2010</u>
Home Depot Foundation	\$ 7,335	\$ 4,031
Neighborworks	-	10,000
Blue Cross Blue Shield	-	915
WWFF	6,893	17,806
Private Foundation	-	108,356
The Kresge Foundation	<u>120,907</u>	<u>—</u>
Total	<u>\$135,135</u>	<u>\$141,108</u>

Permanently Restricted

Permanently restricted net assets result from contributions whose use is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by the Center's actions. As of September 30, 2011 and 2010, the Center has no permanently restricted net assets.

NATIONAL CENTER FOR HEALTHY HOUSING, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2011 AND 2010

Note 3 – Short-Term Bank Borrowings

Solutions has a \$50,000 revolving line of credit with M&T Bank. Borrowings under the line of credit bear interest at the prime rate plus one point five percent (1.5%), (four point seventy-five percent (4.75%) as of September 30, 2011 and 2010). The line of credit is secured by substantially all of Solutions' assets and is guaranteed by the Center. As of September 30, 2011 and 2010 the outstanding borrowings under the line of credit amounted to \$40,149 and \$40,000, respectively. Interest expense amounted to \$2,077 and \$716 for the years ended September 30, 2011 and 2010, respectively.

The Center has a \$100,000 revolving line of credit with M&T Bank. Borrowings under the line of credit bear interest at the prime rate plus one point five percent (1.5%), (four point seventy-five percent (4.75%) as of September 30, 2011 and 2010). There was no balance due under this line of credit as of September 30, 2011 and 2010.

Note 4 – Pension Plan

The Organization has a 401(k) plan that permits voluntary contributions by employees of the Center and its Subsidiary. The plan covers all eligible employees who meet its eligibility requirements. The Plan provides for employer matching contribution of one hundred percent (100%) of elective deferrals up to three percent (3%) of eligible compensation and fifty percent (50%) of elective deferrals from three percent (3%) to five percent (5%) of eligible compensation. In addition, the plan allows discretionary contributions on an annual basis in amounts determined by the Organization's management. For the years ended September 30, 2011 and 2010, the Organization made matching contributions of \$38,195 and \$39,979, respectively and discretionary contributions of \$19,017 and \$17,595, or two percent (2%) of eligible compensation to the Plan.

Note 5 – Income Taxes

National Center for Healthy Housing, Inc.

The Center is recognized by the Internal Revenue Service as a non-profit organization under section 501(c)(3) of the Internal Revenue Code as other than a private foundation. Therefore, contributions to the Center are tax deductible under Section 170 of the Internal Revenue Code.

The Center follows the guidance of the Financial Accounting Standards Board Accounting Standards Codification 740-10, *Accounting for Uncertainty of Income Taxes* which clarifies the accounting for the recognition and measurement of the benefits of individual tax position in the financial statements, including those non-profit organizations. Tax positions must meet a recognition threshold of more-likely-than-not in order for the benefit of those tax positions to be recognized in the financial statements.

NATIONAL CENTER FOR HEALTHY HOUSING, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2011 AND 2010

Note 5 – Income Taxes (Continued)

The Center analyzes tax positions taken, including those related to the requirements set forth in Internal Revenue Code Section 501(c) to qualify as a tax exempt organization, activities performed by volunteers and board members, the reporting of unrelated business income, and its status as a tax-exempt organization under Maryland statute. The Center does not know of any tax benefits arising from uncertain tax positions and there was no effect on the Center's financial position or changes in net assets as a result of analyzing its tax positions. Fiscal years ending on or after September 30, 2008 remain subject to examination by federal and state authorities.

Healthy Housing Solutions, Inc.

Solutions is taxed as a for-profit corporation under the Internal Revenue Code and applicable state statutes. The income of Solutions is subject to examination by federal and state taxing authorities. In the event of an examination of the income tax returns, the tax liability could be changed if an adjustment of income is ultimately determined by the taxing authorities.

Certain transactions of Solutions may be subject to accounting methods for federal income tax purposes that differ significantly from the accounting methods used in preparing the financial statements in accordance with generally accepted accounting principles. Accordingly, the taxable income of Solutions reported for federal income tax purposes may differ from net income in these financial statements.

On October 1, 2010 Solutions adopted newly issued accounting rules that prescribe when to recognize and how to measure the financial statement effects, if any, of income tax positions taken or expected to be taken on its income tax returns. These new rules require management to evaluate the likelihood that, upon examination by relevant taxing jurisdictions, those income tax positions would be sustained.

Based on that evaluation, if it were more than fifty percent (50%) probable that a material amount of income tax would be imposed at the entity level upon examination by the relevant taxing authorities, a liability would be recognized in the accompanying balance sheet along with any interest and penalties that would result from that assessment. Should any such penalties and interest be incurred, Solution's policy would be to recognize them as operation expenses.

Based on the results of management's evaluation, adoption of the new rules did not have a material effect on Solution's financial statements. Further, no interest or penalties have been accrued or charged to expense as of September 30, 2011 or the year then ended.

NATIONAL CENTER FOR HEALTHY HOUSING, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2011 AND 2010

Note 5 – Income Taxes (Continued)

Solutions income tax returns are subject to examination by taxing authorities for a period of three (3) years from the date they are filed. As of September 30, 2011 the following tax years are subject to examination.

<u>Jurisdiction</u>	<u>Open Years for Filed Tax Returns</u>	<u>Return to be Filed in 2012</u>
Federal	2008 - 2010	2011
Maryland	2008 - 2010	2011

Note 6 – Income Tax Provision

The provision for income taxes for the years ended September 30, 2011 and 2010 relates to the activities of Solutions and consists of federal and state income taxes payable or receivable.

For the years ended September 30, 2011 and 2010 the benefit for income taxes is as follows:

	<u>2011</u>	<u>2010</u>
Federal	\$(2,765)	\$(3,540)
State	<u>(1,379)</u>	<u>(1,765)</u>
Total Benefit	<u>\$(4,144)</u>	<u>\$(5,305)</u>

Note 7 – Concentration of Risk

The Organization receives a substantial portion of its revenue from federal grants and contracts, primarily from the U.S. Department of Health and Human Services and the U.S. Department of Housing and Urban Development. If a significant reduction of this funding occurs, it may have a significant impact on the Organization's programs. For the years ended September 30, 2011 and 2010, direct and indirect federal grants and contracts represented eighty percent (80%) and seventy-seven percent (77%) of the Organization's total revenue and support, respectively. Management does not anticipate any significant reduction in future funding from federal agencies.

The Organization maintains cash balances in a financial institution which is insured by the Federal Deposit Insurance Corporation for amounts up to \$250,000 for the years 2011 and 2010, respectively. The Organization is exposed to concentrations of credit risk at times when cash balances exceed the FDIC limit. The Organization has not experienced any losses and believes they are not exposed to significant risk.

NATIONAL CENTER FOR HEALTHY HOUSING, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2011 AND 2010

Note 8 – Leases and Rent Expenses

In November 2006, the Center entered into a lease agreement for office space in Columbia, Maryland. The lease term commenced November 1, 2006 for a period of sixty (60) months, expiring on October 31, 2011. Monthly payments for base rent in 2011 and 2010 under this agreement amounted to \$7,790 and \$7,738, respectively. The lease provides for annual escalation charges and monthly operating expense charges in excess of base-year operating expenses.

In August 2011, the Center entered into a new lease on this property commencing November 1, 2011 for a period of forty-eight (48) months, expiring on October 31, 2015. Initial monthly base rent is \$7,634 for the first twelve months. The lease provides for annual three percent (3%) escalation charges and monthly operating expense charges in excess of the new base-year operating expenses.

Effective June 30, 2009, the Center entered into a month-to-month lease for office space in Washington, DC. The lease is terminable at the will of either party at any time upon thirty (30) days advanced written notice. The lease was terminated on April 30, 2011. Monthly payments on this lease were \$1,300.

In May 2011, the Center entered into a space sharing agreement with another non-profit organization in Washington, DC. The agreement commenced May 1, 2011 for a period of twelve (12) months, expiring on April 30, 2012. Monthly rent payments are \$3,500. Subsequent to year-end, the agreement was amended in April 2012, to extend the term through April 30, 2013 and increase the monthly rent payments to \$3,640 effective May 1, 2012.

Minimum future rental payments under the leases are as follows:

2012	\$134,464
2013	119,629
2014	96,954
2015	99,850
2016	<u>8,341</u>
Total	<u>\$459,238</u>

Lease expenses amounted to \$136,157 and \$125,331 for the years ended September 30, 2011 and 2010, respectively.

NATIONAL CENTER FOR HEALTHY HOUSING, INC. AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2011 AND 2010

Note 9 – Compliance with Grantor or Donor Restrictions

Financial assistance from federal, state, and local governmental entities in the form of grants are subject to special audit. Such audits could result in claims against the Organization for disallowed costs or noncompliance with grantor restrictions. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this date.

Note 10 – Merger

On January 15, 2010, the Boards of the Center and The Alliance for Healthy Homes (the Alliance), a 501(c)(3) Organization, voted to pursue a merger of the two Organizations. On February 22, 2011 the merger was finalized. Under the terms of the merger, the Alliance transferred all of its assets, liabilities, property and obligations to the Center.

Note 11 – Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through May 14, 2012 the date the financial statements were available to be issued.

NOTE TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED SEPTEMBER 30, 2011

Note A – Basis of Presentation:

The accompanying schedule of expenditures of federal awards includes the federal grant activity of National Center For Healthy Housing, Inc. and Subsidiary and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
National Center For Healthy Housing, Inc. and Subsidiary
Columbia, Maryland 21044

We have audited the financial statements of National Center For Healthy Housing, Inc. (a non-profit organization) and Subsidiary as of and for the years ended September 30, 2011 and 2010, and have issued our report thereon dated May 14, 2012. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered National Center For Healthy Housing, Inc. and Subsidiary's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the National Center For Healthy Housing, Inc. and Subsidiary's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether National Center For Healthy Housing, Inc. and Subsidiary's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Finance Committee, the Board of Directors, management, others within National Center For Healthy Housing, Inc. and Subsidiary, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Clark and Anderson, P.A.

May 14, 2012

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH
REQUIREMENTS THAT COULD HAVE A DIRECT AND MATERIAL
EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

Board of Directors
National Center For Healthy Housing, Inc. and Subsidiary
Columbia, Maryland 21044

Compliance

We have audited the National Center For Healthy Housing, Inc. (a non-profit organization) and Subsidiary's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of National Center for Healthy Housing, Inc. and Subsidiary's major federal programs for the years ended September 30, 2011. National Center For Healthy Housing, Inc. and Subsidiary's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of National Center For Healthy Housing, Inc. and Subsidiary's management. Our responsibility is to express an opinion on National Center For Healthy Housing, Inc. and Subsidiary's compliance based on our audits.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audits to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about National Center For Healthy Housing, Inc. and Subsidiary's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of National Center For Healthy Housing, Inc. and Subsidiary's compliance with those requirements.

In our opinion, National Center For Healthy Housing, Inc. and Subsidiary complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2011.

Internal Control Over Compliance

The management of National Center For Healthy Housing, Inc. and Subsidiary is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered National Center For Healthy Housing, Inc. and Subsidiary's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance, and to test and report on internal control over compliance in accordance with *OMB Circular A-133*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of National Center For Healthy Housing, Inc. and Subsidiary's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the Finance Committee, the Board of Directors, management, others within National Center For Healthy Housing, Inc. and Subsidiary, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
