

National Healthy Housing Center (NCHH) is hosting a Twitter chat ([#NLPPWchat](#)) to have a conversation during **National Lead Poisoning Prevention Week** to spread awareness and take action on lead poisoning prevention and response policies.

Date and time: **October 24, 2017, from 2:00 p.m. to 3:00 p.m. ET (11:00 a.m. to 12:00 p.m. PT)**

### **#NLPPWchat aims to:**

- Discuss lead poisoning prevention and response
- Raise awareness about the sources of lead exposure
- Share helpful initiatives, policies, and resources

### **NLPPW partners, please:**

1. Participate in the live chat.
2. Help promote #NLPPWchat widely to your followers, members, and partners to ensure broad participation.

**To participate**, follow [@NCHH](#) and RSVP at <http://vite.io/xqeaaid4b2>. On October 24, @NCHH will post questions starting at 2:00 p.m. ET (11:00 a.m. PT). Follow along using the #NLPPWchat hashtag and share your thoughts and ideas on policies and practices to address lead poisoning prevention and response.

Be sure to **use #NLPPWchat in your tweets** so that the chat participants can easily follow you and others during this event.

**Promote the chat widely** for maximum participation! Find social media tools at <http://bit.ly/LPPW17>. Also, follow [@NCHH](#) and retweet our Twitter chat promotions during the week leading up to the chat.

As a NCHH and or National Safe and Healthy Housing Coalition partner, you have an excellent opportunity to highlight some of your exciting initiatives and projects! Use the #NLPPWchat questions below and on the reverse side of this document to begin formulating your answers now.

(2:00 p.m. ET) **Check-in Question** - Are you hosting #NLPPW events? Share your event links with us! #NLPPWchat

#NLPPWchat

**Q10:** What policies, programs, or efforts make a difference in preventing and responding to childhood lead poisoning? #NLPPWchat

### Format Your Tweets

- Include the hashtag #NLPPWchat in all of your tweets.
- Start your answers with A1, A2, A3 to correspond to the question number.
- You have only 140 characters per tweet, but you're not limited to one tweet per answer to a question. You may also use A1a, A1b, A1c, and so on, to indicate a multi-part answer to a given question.
- Use links to your website, programs, initiatives, and partners in your tweets! Promote the good work that you and your community are doing!

Please join us for what should be a lively and informative discussion and let us help you to highlight all of the exciting work you are doing to prevent and respond to lead poisoning!

**RSVP here now!** <http://vite.io/xqeaidd4b2>
