Lesson #1: Lead is more than just paint.

Lead is more than just paint.

Lesson #2:

There is a difference between exposure and documented poisonings.

Lesson #3:

The need to coordinate.

1. We're all on the same team.
2. We are pulling different levers.

Lesson #4:

Why Flint is getting all the attention.

1. **Medical Data** (Dr. Mona Hanna-Attisha)
2. **Environmental Data** (Dr. Marc Edwards)
3. **Community Activism** (broad-based)
4. **Media** (local, regional, state, global)

Lesson #5:

Flint First
