Lead Poisoning Prevention Program
Asthma Control Program
Environmental and Health Outcome Tracking Network

	Appropriation								Law	NSHH Coalition
	FY11	FY12	FY13	FY14	FY15	FY16	FY17	FY18	FY19	FY20 Request
Lead Poisoning Prevention Program	\$29.257	\$1.995	\$2.522	\$15.522	\$15.522	\$17	\$17*	\$35*	\$35*	\$50
Asthma Control Program	\$27.444	\$25.298	\$23.079	\$27.528	\$27.528	\$29	\$29	\$29	\$29	\$34
Environmental and Health Outcome Tracking Network	\$35	\$35	\$23.885	\$35	\$34.904	\$34	\$34	\$34	\$34	\$40

Dollars in millions.

**Does not include additional one-time funding as allocated by the WIIN Act of 2016.*

Justifications

Lead Poisoning Prevention Program – Increased funding to this program would allow for surveillance grants to all 50 states.

Asthma Control Program – Increased funding to this program would allow for increased and additional funding for state grants.

Environmental and Health Outcome Tracking Network – A \$6 million increase would fund at least three additional states and should be viewed as a down payment on funding all 50 and DC.
